10 MINUTES AWAY FROM THE PALACE...

You are welcome to the Italian lifestyle hotel Domina St. Petersburg that is located within 10 minutes away from the famous **Wedding Palace № 1** on Angliyskaya naberezhnaya and a step away from St. Isaac's Cathedral – a perfect route for a beautiful photoshoot is ready.

Behind the classic facade of the XIX century noble mansion on the quiet Moika river embankment you will find bright colours, art objects and a very romantic atmosphere. Where happy love stories happen often...

The image is a composite of two scenes. The background scene, viewed through a window, shows a bride in a white gown and a groom in a grey suit standing together, holding hands. The foreground scene, which is out of focus, shows the dark silhouettes of a couple's heads and shoulders as they look out the window. The overall mood is romantic and intimate.
